Megan is an outstanding role model for all parents in our community. She works tirelessly to build community and has coordinated the very important Year 7 welcome barbeque for the past five years.

Megan has enthusiastically given her time for the various early morning breakfasts hosted by the College including the Indigenous Day and Father’s Day breakfast.

No matter how small or big the task, Megan has enthusiastically volunteered her support and contributed for the benefit of the College, its students and staff.

Megan is such a positive, happy and hardworking parent and has a strong sense of community spirit. She has also assisted with various other school activities including conducting the uniform stocktake and canteen duties.

Megan is a shining example of how an ordinary parent can achieve extraordinary things. The world would be a greater place if there were more Megan Whittington’s! Every school should have at least one Megan!
