Dear Parents/Carers,

CLEAN UP AUSTRALIA DAY

Your son has volunteered to be part of a group that is looking at aspects of caring for the environment.

Students will meet in Period 6 on Friday, 27th February to participate in a ‘Clean up Australia Day’ activity. We are planning to clean up the Eco-ERC garden and, if time permits, clean up around the perimeter of the College. Students will remain within the College grounds under the supervision of Mr Bates.

Students attending the activity are asked to bring a hat and drinking water. Rubber gloves will be provided.

Please sign the Permission Slip below if your son has your permission to attend.

Yours sincerely,

MR R BATES
