3 September 2015

Dear Parent/Carer,

YEAR 11 MATHEMATICS TUTORIAL

Mr Sirianni will be running a tutorial session for his Year 11 Mathematics class on **Saturday, 12th September from 1.00-4.00pm.**

The idea is to strengthen concepts and improve knowledge across a broad range of topics.

The Preliminary HSC examination for Year 11 students is on Monday 14th September. This is an opportunity for your son to get some valuable practice leading up to the examination.

Attendance is optional. Students will need to meet Mr Sirianni in Room D9 just before 1.00pm.

Students will need to organise their own transport to and from the College. Student drivers must have completed the required documentation and lodged it with their Year Co-ordinator. *(Student passengers are not allowed on this occasion)*

Please complete the Reply Slip below and have your son return it to Mr Sirianni by Wednesday 9th September.

Yours sincerely

**MR F SIRIANNI**
Director of Information Technologies & Innovation

REPLY SLIP - **Sign and return to Mr Sirianni by Wednesday 9th September**

YEAR 11 MATHEMATICS TUTORIAL

I give permission for my son ______________________ to attend the Year 11 Mathematics Tutorial at the College on Saturday 12th September from 1.00-4.00pm.

**Details of transport to and from the College:** ____________________________________________________________
