23 October 2015

Dear Parent/Carer,

YEAR 11/12 GEOGRAPHY EXCURSION – MINNAMURRA RAINFOREST

The HSC Geography class this term will be studying the issue of Ecosystems at Risk and will be involved in fieldwork activities at Minnamurra Rainforest. Fieldwork is a **compulsory** part of the Geography course.

The fieldwork will take place on **Wednesday, 4th November**, leaving the College at 8.15am and returning at 2.30pm. Students will need to make alternative travel arrangements home from the College and may catch the 3.00pm Premier Illawarra bus from school into Wollongong to connect with service buses.

Students are to wear ERC sport shirt, black shorts and enclosed shoes. A waterproof jacket, food, drink, sun protection and writing materials (such as pencils, pens, clipboard) should also be carried in a small backpack.

Part of the educational package provided by the Rainforest guides is a guided walk of approximately one hour. The walk is regarded as moderately strenuous with uphill walking.

Please complete the Reply Slip below and have your son return it to Mr Sunderland by Friday 30th October.

Yours sincerely

MR M CROTTEY
Head of Social Science
