ERC ERA for Change
Illawarra People for Peace Community BBQ

Dear Parent/Carer,

As part of their commitment to Service and Solidarity Learning, students are invited to assist in activities at the Illawarra People for Peace Community BBQ. Details as below:

**DATE:** Thursday, 19th November 2015

**TIME:**
- Official welcome at 6.00pm
- Activities and food from 5.00-8.00pm

**LOCATION:** St Francis Xavier Cathedral, 36 Harbour Street, Wollongong

**ACTIVITIES:**
- Music
- BBQ
- Sport (Soccer and Touch Football)

I will be in attendance on the evening.

This is a CSL activity that will count towards your son’s total hours and an opportunity for students to meet people in the community and build friendships. When refugee families settle in a community, it is often very difficult to find opportunities to develop friends with established families. Anyone is welcome to attend and join in the fun, so boys can invite family and friends to come along.

Please indicate on the Permission Slip the area for helping and details of transport arrangements for your son, and have your son return the slip to be by Monday 9th November.

Yours sincerely,

MRS J HURLEY
Director of Identity
