3 November 2015

Dear Parents/Carers,

**YEAR 9 HISTORY – AUSTRALIAN WAR MEMORIAL EXHIBITION AT UOW**

During the Christmas school holidays, the University of Wollongong will be hosting an exhibition from the Australian War Memorial to commemorate the Spirit of Anzac. The exhibition will be an invaluable learning opportunity for your son as it will have direct links to the topics studied in the Australian curriculum.

During 2016, part of the Year 9 History Program involves a study of both World Wars and this exhibition, through the use of interactive technology, special effects, artefacts and stories, will bring to life the experiences of Australian soldiers during World War I.

The exhibition date is **Wednesday, 13th January 2016**, from 10.00am – 12.00 noon.

As places are strictly limited to 30 students per school, your son’s placement will be determined by a first in basis. There is no cost involved.

During his time at the University your son will be supervised by teaching staff from the College.

Students are to wear smart, casual clothing and should meet me at **9.45am** at the Northfields Avenue Bus Interchange. Parents/carers are to collect their son at **12.15pm** from this point. You will need to arrange transport for your son to and from the University on the day.

If you are certain that your son will be attending, please complete the permission note below and have your son return it to me by Friday 13th November.

Yours sincerely

MRS H LOTHIAN
Acting Head of Humanities
