[Career planning for students on the autism spectrum – a webinar for parents and carers | Wednesday 9 March | 4.00pm \(AEDT\)](#)

For 20 years, myfuture has been a trusted source of career information within the Australian education community providing content that is practical, targeted and developed by experts. As well as supporting students, teachers and career practitioners, myfuture provides tools and resources to help parents and carers support their child's career exploration, engage them in career conversations, and raise awareness of post-school options.

In this Insights webinar, Associate Professor Marina Ciccarelli from Curtin University, and Cheryl Mangan from Autism CRC will provide information about the myWAY Employability evidence-based resources available to assist young people on the autism spectrum in transition planning, to build their employability, and maximise their potential.

Join us as the team from myWAY Employability discuss such topics as:

- Starting challenging conversations about the future
- Identifying personal strengths, interests, and sensory preferences to guide career exploration and work experiences
- Providing a just right challenge
- Building self-determination.
