A Catholic School for Boys in the Edmund Rice Tradition

UOW Early Admission Scheme – Opens 18 July, closes 12 August

<https://www.uow.edu.au/early-admission/>

https://mkto.uow.edu.au/School-Leaver-Newsletter_Subscription-Page.html

1. Check your eligibility. If you are studying at an Australian high school, completing the HSC you are eligible to apply.
2. Choose up to two courses.
3. Complete your application online.
4. If you are shortlisted for consideration, you will be invited to attend an interview or online session.
5. Stress less and **focus** on your final exams.

All shortlisted applicants will be advised of their Early Admission outcomes on 10 October 2022, before the NSW HSC exams commence.

UOW Early Admission applications are only accepted online. The Apply link will be available on this page once applications open. **Late applications cannot be accepted, so make sure you apply before 5pm on 12 August 2022 to avoid missing this opportunity.**

Can't wait? Start preparing now. Along with your subject results so far, you will be asked to answer four questions in your application that will demonstrate your academic readiness, motivation and passion, communication and collaboration, and planning and persistence. They know from over 20 years of running the Early Admission program that these responses will help us predict your likelihood of success at university. The questions are:

- **What are your study strategies when preparing for an important assessment task?**
- **What has influenced your decision to pursue your course or courses of interest?**
- **Describe a time when you worked with others to achieve a goal.**
- **Tell us about a time when you set yourself a goal and worked really hard to achieve a good result.**

Each response is limited to 500 characters or less, so you will need to get your point across succinctly.

If you live in NSW or the ACT your personal details, including your Year 11 results, will pre-populate the application form based on your NESA student number – so it's even easier to apply!

Please note: Do not use your school-allocated email address when you apply. When you leave high school, your school email address will be cancelled. They will need to contact you after you leave school and into 2023, so please use a different email address that you check regularly. No two applicants are the same. You'll receive details of your next steps by email, so make sure that you enter the correct email address. They will email you after you've finished school and into 2023.

Edmund Rice College

A Catholic School for Boys in the Edmund Rice Tradition

Depending on your application assessment and your area of study, you may be invited to attend a virtual event or interview during the September school holidays.

Official offers for UOW Early Admission will be emailed on Monday 10 October, before the NSW HSC exams commence.

Application outcomes will be communicated to all applicants before the HSC exams begin.

Keep working to best of your ability for a HSC outcome that reflects your 6 years of hard work. Do yourself proud in your final exams. Your hard work could also lead to opportunities such as scholarships and entry to high-achiever degrees.

UOW Scholarships

<https://www.uow.edu.au/study/scholarships/domestic/>

<https://scholarships.uow.edu.au/scholarships/search>

Do you need help financially? Have you done well academically? Maybe you are an elite athlete? Whatever your situation, a scholarship can help you succeed at university. Studying can be expensive. They have a wide range of scholarships available to you which can assist with living costs, text books or that can contribute towards your fees.

2022 Apprenticeship/Traineeship & Jobs Expos

Our extremely successful face to face Apprenticeship/Traineeship & Jobs Expos are back, providing opportunities for students and job seekers you won't receive anywhere else.

Not to be missed.

Bring copies of your resume and get in first.

****Free Entry****

BRETT CARTER
EVENTS

About the Expos

After three years of postponements and cancellations due to COVID-19, the Apprenticeship/Traineeship & Jobs Expos are set to return with a bang in August/September 2022.

Our annual Apprenticeship/Traineeship & Jobs Expos attract over 16000 visitors and 300 exhibitors combined and are widely accepted as the premier expos of their kind in NSW.

The timing of the expos are a hit with families as it allows parents to attend with their children and have those all-important career chats with industry experts.

Edmund Rice College

A Catholic School for Boys in the Edmund Rice Tradition

The expos kick off the recruitment process. Exhibitors get the chance to collect resumes for current vacancies and promote their organisation for upcoming recruitment drives.

Click [here](#) to view highlights of the Western Sydney Apprenticeship/Traineeship & Jobs Expo. With a lot of major infrastructure projects underway there has never been a better time to start your journey on a rewarding career path.

This is the perfect chance to meet experts representing industry, businesses, group training companies, registered training organisations and many more and apply for apprenticeships, traineeships, jobs and further education pathways.

Whether you are at school and looking for a career path, a parent hoping to give your child the best opportunities in life, looking for a career change or a job-seeker looking to commence a rewarding career, the 2022 Apprenticeship/Traineeship & Jobs Expos have all the answers you need.

Exciting News!

With the infrastructure boom we are experiencing, the future need for apprentices, trainees and skilled workers has never before been in such high demand.

Following on from the success year after year of our expos, we continue to take the model to other parts of our great state and provide our career/job seekers, business and industry, education providers and employers with the opportunity to all come together under the one roof and begin the journey of making the plans for our states growth a reality.

We are excited to announce that this year we have added the Illawarra expo.

Future Doctors Program by Harvard Student Agencies at Harvard University:

Future Doctors Program seeks to introduce students to the fundamentals of pre-medical studies. The program covers various topics including content modules on genetic inheritance, hormones, immunology, and organic chemistry. It also explores case studies on various diseases, poses medical ethics questions, and offers an opportunity to dissect scientific papers. The program aims to prepare students for a career in medicine by providing an overview of the MCAT process, as well as the chance to hear first-hand about the process from Harvard students.

Providing an extensive overview of pre-med, the program encourages students to think critically and quickly. Each day begins with an in-depth lecture covering an important aspect of the medical field ranging from genetics to organic chemistry. Students then engage in hands-on activities created to orient them to the realities of working in medicine. The program guides students through topics and higher-order thinking skills necessary to succeed in the medical field.

The certificate will be given directly by Harvard Student Agencies at Harvard University.

Program Start Date: 30th July 2022

Program Duration: 2 weekends

Program Fees: USD 240

Eligibility: Grades 8th to 12th

Mode: Zoom (video conferencing)

Application Deadline: 15th July 2022

For more details, visit: <https://learnwithleaders.com/futuredoctorsprogram-july>

APPLICATIONS NOW OPEN!

Junior Accountant roles for 2023 Accountancy Undergraduates

If you are in **Year 12** this year and you plan to study a **Bachelor of Business (Accountancy)** in **2023** then this is a fantastic opportunity for you!

Are you **friendly, motivated** and **ready to learn**? Then you could be one of a few students to join the BGL team as a full-time **Junior Accountant** in **February 2023**. This means you get to **learn on the job** what you study part-time at University, and you gain a **wealth of experience** to kick-start your career.

Why you should work for BLG:

- Receive one-on-one mentoring from our experienced team of Chartered Accountants.
- Work with clients across so many industries - from restaurants and wineries, to engineers and doctors, influencers and more.
- Experience the rewards of working for a business who is committed to their clients, people and community.
- Enjoy a truly social culture in beautiful new office with regular in-house team events and activities.

Edmund Rice College

A Catholic School for Boys in the Edmund Rice Tradition

What you'll benefit from:

- Regular in-house training and workshops.
- Learning hands on and earning a good income while you study.
- Experiencing what accounting, taxation & compliance work actually is.
- Discovering the ins, outs and benefits of tax planning for our clients.
- Boosting your development and strengthening your skills for the future.
- Much, much more!

Make sure you attach your cover letter and resume with your application.

Applications close Sunday, 10 July 2022.

Komatsu Apprentice Information Night

Komatsu in Moss Vale have decided to host an Information session around our recruitment of Apprentices for the coming year.

We are employing 10 Apprentices in the following fields

- Fitter/Machinist
- Boilermaker/Fabricators
- Mechanical Fitter
- Electricians

An information night will be held on Wednesday 29th June 2022 starting at 5.30pm where we will be giving a presentation on our facility, explaining what we do here, providing information about the particular trades on offer and doing a workshop tour. There will be information on the Komatsu Apprentice program and guests will have the opportunity to meet a number of long term employees who have been here from Apprenticeship through to 25+ years later... as well as our latest group of apprentices from 1st year through to 4th year.

This evening is open to parents/guardians, school students and teachers so please encourage your students to come along if this is something that interests them.

Please RSVP by COB Monday 27th June.

Please contact me on the below numbers if you have any questions.

Transition to Work

What is Transition to Work

- Workforce Australia - Transition to Work (TtW) is a time limited (18-24 month) employment service that supports disengaged young people at risk of long-term unemployment.
- TtW helps young people aged 15-24 into sustainable work or education.
- Participants receive intensive, pre-employment support to develop practical skills to get a job, connect with education or training, find local job opportunities and connect with relevant local community services.
- TtW has a strong focus on helping young people to understand what is expected in the workplace and to develop the skills, attitudes and behaviours expected by employers.

White Card training

With holidays approaching several students have asked about the completion of the white card course. This course is an OH&S induction requirement to work with machinery and on building sites.

The following two places are currently delivering this course on a face to face basis:

<https://achievetrainingservices.com/category/construction-courses/whs-induction-white-card/> in Unanderra

and

<https://acceleratedtraining.com.au/> in Dapto.

To secure your spot you are required to reserve your position by paying with a credit card. Estimated cost is \$100.

Please note: I suggest you avoid the online course as many companies do not accept this white card as a sufficient form of OH&S induction training.
