

## Edmund Rice College SCHOLARSHIP POLICY 2020

---

1. The College offers up to five Academic Scholarships to students in Year 7 each year. Notice of this will be advertised through the College website and through the Year 7 Enrolment Interview process.
2. Academic Scholarships are awarded on the basis of performance in the Enrichment Test administered by the College, followed by an interview.  
***Please note: The Enrichment Test has been postponed. Further details to be advised.***
3. The Scholarship is offered for six years, covering the four years of junior school (Years 7-10), and the two years of senior school (Years 11-12), pending satisfactory academic results over that time.
4. The Scholarship is reviewed annually. The minimum expected standard achieved must be an "A" in the majority of the core subjects (English, Mathematics, Science, Religion, History and Geography). These results would be a combination of all Semester One and Semester Two results. The Scholarship will continue for one year following a failure to meet the required average. Following the year of grace, a failure to achieve the minimum expected standard over the course of the year will result in the Scholarship being reviewed.
5. The Scholarship covers all Tuition and Activities Fees and the Compulsory Family Levy. The only fee payable is the \$200.00 Application Fee which is non-refundable.
6. Scholarships are open to students seeking a position at the College from the beginning of Year 7.
7. To qualify, prospective students must:
  - i) Register by filling in the *Application Form for a Scholarship* (the Application Form is available from the College or can be downloaded from the College website).
  - ii) Lodge the Scholarship application by **Thursday 9 April, 2020.**
